*\*You may be contacted by the Endoscopy Department the day of your procedure to adjust your arrival time.*

Location: 172 Kinsley Street, Nashua, NH – Main Lobby, 2<sup>nd</sup> Floor Endoscopy Department

**Pre-registration is required one week prior to your procedure.** To register or if you have any questions about cost of coverage, please call **866-620-4781**.

If you have any questions regarding your prep or procedure or, if for any reason you need to reschedule your procedure, **please call 603-578-9363**.

**Plan Ahead**

- Call and check with your insurance company directly as soon as possible to determine if your procedure will be covered.
- If you had a colonoscopy in the past with an inadequate prep, call our office as soon as possible since your prep may change.
- If you develop a fever, cough, or any cold/flu like symptoms: or have any outstanding cardiac or respiratory testing, you **MUST** call us to reschedule.
- Due to the anesthesia that will be administered during your procedure, it is required that you have a responsible adult or person of legal driving age to drive you home after your procedure. You cannot drive or walk. You cannot take a taxi/Uber unless you are accompanied by a responsible adult. We fully expect you will be able to return to your normal activities the day after your procedure. We will unfortunately have to cancel your procedure if you fail to have a ride home available.
- If you need assistance with transportation: Gentle Care Ride offers medical transportation for a fee and services most of the Southern and Central New Hampshire Region. They can be reached by calling 603-341-1720 (they require at least two days’ notice; however, please call early due to availability).

### Insurance Information

**We strongly encourage you to check your benefit coverage by calling your insurance company directly before any procedure is performed to find out what your benefits are.**

- Estimates for procedures can be provided by calling 866-620-4781.
- The standard CPT code for a colonoscopy is **45378** for both screening and diagnostic colonoscopies.
- If a biopsy is required or if a polyp is removed during your screening procedure, your insurance benefit may change.
- Your benefit coverage might also vary based upon the location of your procedure. If your insurance has trouble finding St. Joseph Hospital Nashua in their directory, our Tax ID number is: 02-0222215.
- If you are having an upper endoscopy (EGD) procedure in addition to your colonoscopy, please check with your insurance about coverage. The CPT code for an upper endoscopy (EGD) is **43235**.

**Anesthesia Fees - Anesthesia for SJH is provided by Amoskeag Anesthesia: 1-888-446-0870.**

- Certain insurances may have restrictions on the coverage of anesthesia. We encourage you to review your individual benefits.

## Colonoscopy Day Expectations

***We ask that you please bring these items with you: Completed endoscopy health history form*** (last page of the packet), the name and phone number of your ride, inhalers, CPAP/BiPAP (if easily transportable), glasses (do not wear contacts), if menstruating can use a tampon, reading material or other items in case of unforeseen delays, **a copy of your medication list with dosing and the last time taken (including over the counter meds).**

***Please DO NOT BRING:*** Any valuables, including jewelry.

Please remove all body and facial piercings prior to coming in for your procedure.

***If you wear dentures, please do not use denture adhesive on the day of your procedure, as they may need to be removed.***

Before the start of your procedure, you will have the opportunity to discuss the procedure with your gastroenterologist and the anesthesiologist regarding sedation. They will each explain the nature of the procedure, and its risks, benefits, and alternatives. You will be asked to sign a consent form that you understand and agree to the care.

Please expect to be at the hospital for about 2 ½ to 3 hours. We make every effort to remain on time, but delays may occur.

You will need to rest for the remainder of the day. Do not operate any machines or motor vehicles.

You will receive a letter explaining your results approximately 2 to 3 weeks after your procedure.
